## *Introducing Sotto Banco*

Rocket Espresso are pleased to announce the imminent release of Sotto Banco.

First revealed at HostMilano in late 2019, Sotto Banco is a stylish under counter machine, featuring sleek raised groups extending from the counter, with both the service boiler and auxiliary equipment located under the counter.

Key machine features:

- Multiboiler technology, with fully saturated groups
- 9 litre service boiler
- Under counter module included - ability to work with 1,2 or 3 groups
- Independent steam wand for each group
- Colour display with digital pressure gauges controllable via push button panel
- Dedicated web-app, therefore via any device that has wi-fi and a web browser
- New steam dry system technology.

European RRP 2 GROUP: EUR 14,600 / 3 GROUP: EUR 19,600
